Financial Policy and Chiropractic Active Life Plans

We are committed to providing you the best Chiropractic care possible in a caring environment and have established our financial policies to achieve that goal. You will be expected to pay for your Chiropractic Care at the time the service is rendered unless you arrange an Active Life Plan in advance. Active Life Plans are designed to be the most cost effective way to keep you and your family as healthy as possible.

Health Insurance

We do not base your adjustment program on your insurance coverage and neither should you. There are limits as to what they will pay. If you have insurance that covers chiropractic, we will give you all of the information you need to get reimbursed quickly. We have found it is easier for your record keeping, and ours, if we give you receipts at the end of your first visit and then once a month after that. Just send in your receipts with a copy of your claim form and your insurance company will communicate with you about your reimbursement. Remember, your agreement with your insurance company is between you and them.

Automobile Collision or Work Injury

If your health problem is the result of a MOTOR VEHICLE ACCIDENT or if it is a WORK INJURY, please notify one of our team members. You will require a claim number and we must receive approval from MPI or WCB for Chiropractic adjustments. Until that time, you will be expected to pay for your Chiropractic care at the time the service is rendered. Upon approval, you will be refunded any extra monies paid.

◆ **ALL FEES ARE TO BE PAID AT THE TIME OF SERVICE** ◆

◆ **WE ACCEPT CASH, CHEQUE, DEBIT, VISA, AND MASTERCARD**◆

You are ultimately responsible for all of your charges at this office, regardless of insurance coverage.
